

Prairie Trails Memorandum

SD Braille and Talking Book Library
Summer 2003 volume 2 issue 2

Bonnie Olson, Editor

Notes from the Director, Dan Boyd

It is survey time again.

In the past three weeks you should have received a survey document from the South Dakota Braille & Talking Book Library. This survey is required every three years by the Library of Congress, National Library Service for the Blind and Physically Handicapped (NLS).

It is very important that as many of our library patrons as possible complete the survey and return it to the library as soon as possible. The results from this survey are used in a variety of ways. NLS uses the survey as one of the pieces of information they use in evaluating your library. They also use the results to compare our quality of service to that provided by other Braille & Talking Book Libraries.

We use the survey information to make improvements in services that we are now providing and to help us in the planning and development of new services.

Thank you for the prompt return of the survey. If you have not completed the survey I would encourage you to do so as soon as possible. This survey is your opportunity to tell us what you like or don't like about the library. It is also an

opportunity for you to provide us with information on suggested improvements or new services you would like.

Information on the results of the survey will be provided to you in a future issue of this newsletter.

The Prairie Trails Memorandum, published quarterly, is our means of communication with our patrons. The Prairie Trails Memorandum is available in Braille, on cassette or on a diskette upon request and is also posted on our website.

If you have any questions or comments you would like to address, or wish to request this newsletter in an alternative format, please contact the Braille and Talking Book Library toll-free at 1-800-423-6665.

The South Dakota Braille and Talking Book Library does not endorse any product or service listed in this newsletter.

New DVS Additions

Descriptive Video Service (DVS) carefully describes the visual elements of a movie such as the action, characters, locations, costumes and sets, without interfering with the dialogue or sound effects. Our collection consists of over 280 videos that are available for loan. The following videos were recently added to our collection. If you would like a complete listing of all the videos in our collection, contact your reader advisor at 1-800-423-6665.

DVS-00290 A Tickle in the Heart
In their youth the Epstein brothers, Willie, Max and Julie, were known as the Kings of Klezmer, the joyous, sad and sentimental music of European Jews. Now in their 80's, they're still delighting audiences. A tender testament to three humble living legends filled with the world's liveliest and most poignant folk music.

DVS-00291 The Christmas Wife
Not long a widower, and facing his first Christmas alone, John Tanner (Jason Robards) employs a dating service to meet Iris (Julie Harris). The two enjoy each other's company more than either of them expected. But Iris has a secret she needs to share. A gentle, touching drama with fine performances from the two stars.

DVS-00292 A Girl is a Girl

Totally into dating beautiful girls, young Trevor sets out on a series of sexual misadventures in search of the love of his life. Well-acted and smartly written, this irreverent, off-beat comedy of twenty-something manners contains nudity and coarse language.

DVS-00293 Parsley Days

Comely Kate teaches bicycle maintenance. Her boyfriend Ollie is a birth-control counselor. Together since high school, the couple is the envy of their friends and the pride of their families. Trouble is, Kate is pregnant, and no longer in love with Ollie. This bitter-sweet, whimsical, romantic comedy contains coarse language.

DVS-00298 The Fishing Trip

This compelling story of lost childhood and possible redemption follows three young women who travel to a remote cabin to confront their stepfather about a dark family secret. Buoyed by humor and the resiliency of youth, their journey together is a deeply affirming testament to the power of love and friendship.

DVS-00299 The Last of the Mohicans

In the Spotlight

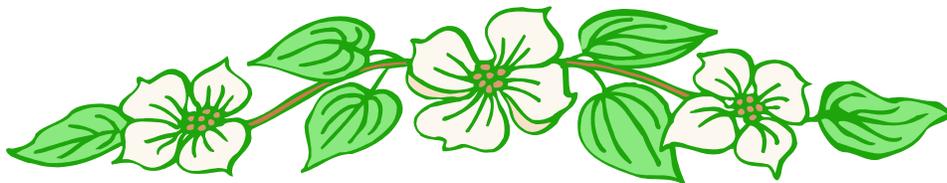

Hi! My name is Margaret Gelhaus. I am one of the volunteers for reading the newspaper on the radio for the Braille and Talking Book Library. This is very rewarding and I enjoy it immensely. The library staff is so friendly and fun that it is a pleasure for me to come here every Wednesday and Thursday mornings.

I hope to devote more hours here in the fall and winter months.

I am a retired school teacher having taught in Webster and at the Pierre Junior High School. I love to travel and have been to the British Isles, Ireland, Italy, Germany and Austria, as well as many places in the United States.

I have three sons, and five grandsons. None live near me, but I try to see them often. I volunteer at the Visitor's Center at the Oahe Dam and work in the church. I am also a Reading Buddy for young children during school time.

I am always urging my friends to get involved as there are so many places that welcome extra help.

The Braille and Talking Book Library will be closed on the following holidays. Please place your book orders in advance so that you will have a plentiful amount of books on hand.
